

SECRET

EYES ONLY FOR VICEPRESIDENT FROM HOOVER

I have just learned that William C. Doherty, a member of the Delegation, is the same Doherty who, as president of the National Association of Letter Carriers, has had a long, bitter and running battle with Arthur Summerfield and the Post Office Department. He is violently partisan and is the same man who publicly walked off the platform when the president addressed the A.F.L. You will remember that Doherty is on the Delegation at Meany's insistence, and in his place, based on your invitation to Meany which he could not accept.
